Nebulyn

CABIN NO 3, IIC 1st FLOOR, ABESIT,CROSSING REPUBLIK
GHAZIABAD,201002

Date: 29th Oct, 2024

Dear Yug Agarwal,

Congratulations! We are pleased to offer you the position of **Research Analyst** at **Nebulyn**, where we aim to transform the placement process and build stronger connections among institutions, students, and companies.

Position: Research Analyst

Internship Duration: 6 months

Start Date: 28th Oct, 2024

Location: Hybrid

Reports To: Akash Srivastava (R&D Head)

Compensation and Benefits

- Internship Certificate.
- Letter of Recommendation.
- The Internship is unpaid, but if we are satisfied with your performance, a full-time position may be offered after the internship.

Roles and Responsibilities

As a Research Analyst at Nebulyn, your responsibilities will include:

- Conduct detailed research on competitor technology, industries, trends, or markets.
- Collect, interpret, and analyze data from multiple sources to identify trends, patterns, and insights.
- Prepare and present detailed reports and presentations to assist with strategic decisions.
- Stay updated with industry developments, competitor movements, and emerging market trends.

Please confirm your acceptance of this offer by signing and returning a copy of this letter by **5th Nov, 2024**.

We look forward to having you join the team and are excited about the value and insights you will bring to Nebulyn. Should you have any questions, feel free to contact us at **Nebulyn.ap@gmail.com**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anshika".
